PLAYERS' CHOICE  
*by James Harvest*

## What is so special with a Players' Choice shirt from James Harvest?

It is the distinctive details that make them special, and exclusive. Each shirt consists of 23+ unique design parts which have been assembled with perfect precision.

## Only Quality Fabrics

The shirts in the Players' Choice series consist of 100% combed cotton, spun into fine, thin filaments. The higher the yarn number, the better the feel of the fabric. The fabric has two yarns spun together to make one, to give added strength and durability. The fabric is then treated with a high quality easy care finish for easy maintenance of the garment.
